Nutcracker Sweet(s) – 2021 Ornament

For Kathy Ayotte

Nutcrackers have been an iconic Christmas decoration for more than a century, their popularity no doubt enhanced by Tchaikovsky's famous "Nutcracker Suite".

This nutcracker may not crack nuts, but visions of sugar plums, as well as peppermint candy and walnuts, dance around his head.

Stitch count: 52x52

Choose whichever colors you like – I chose silver for the Nutcracker's hair/beard because that's my own mental image, but you certainly aren't bound by that. Black-haired, ginger, or even otherworldly, the possibilities are endless.
